

E27-LED Series

Model No.	NP118
Light Source	Designed for E27 screw-in LED bulb max. 10W
Color Rendering	80 (with our chosen bulb)
Color Temperature	4000K (with our chosen bulb)
Luminous Flux	990 lumens (with our chosen bulb)
Dimming System	X
Power Consumption	9W (with our chosen bulb)
Power Supply	Integrated inside bulb
Product Color	Anodized silver & black joints / all black
Material	Aluminum, stainless steel, plastic
Dimensions	W H L
Accessory Options	Desk base / desk clamp / floor-standing set

GINGKO LIGHTING CO LTD

SMT-LED 5W Series

Model No.	HL1-116
Light Source	NICHIA LED 5W
Color Rendering	>95
Color Temperature	4000K
Luminous Flux	650 lumens
Dimming System	5-step integrated touch panel
Power Consumption	6.5W
Power Supply	wall-mount LED driver
Product Color	Anodized silver & dark gray
Material	Aluminum, stainless steel, plastic
Dimensions	W H L
Accessory Options	Desk base, desk clamp, floor-standing set

SMT-LED 12W Series

Model No.	R1-116/CK116
Light Source	NICHIA LED 12W
Color Rendering	>95
Color Temperature	4000K
Luminous Flux	1500 lumens
Dimming System	5-step integrated touch panel
Power Consumption	13.5W
Power Supply	wall-mount LED driver
Product Color	Anodized silver & black
Material	Aluminum, stainless steel, plastic
Dimensions	W H L
Accessory Options	Desk base, desk clamp, floor-standing set
